Tree planting at Ahuriri Estuary 24 September, 9.00 am - 1.00 pm

Members of the public are invited to take part in a unique community conservation project. Living Legends is co-ordinating 17 native tree-planting projects throughout NZ as part of the Rugby World Cup activities. Napier's project is to plant at the Ahuriri Estuary with the HB regional rugby legend, Ian McRae. Living Legends is a joint venture of Project Crimson, an environmental charity with 20 years experience in community-based native restoration projects, and the Tindall Foundation; a major sponsor is the Department of Conservation.

The **Environment-Justice-Peace network** are supporting this family fun day with the tree planting. Please contact Jenny Baker, 835-3862, to advise numbers attending.
