*"Running the Race"*

Parishioners from the Napier Inner City Churches met on Sunday 29 July for an afternoon of native tree planting at the Harakeke Waterway Enhancement Project.

Go for a stroll along the walkway off Nash Street, and enjoy the new "wetlands" environment.

Chorister Tegan Marlow, and younger sister Cailin, lend their hands to the project.

We're very excited!!  
A team of four workers from the South Island Organ Company are on site at the Cathedral for the next two weeks making preparations in readiness for the re-built organ to be installed early in the New Year.

## Leadership Training for Youth

The Diocese is launching a new programme for young people over 14 years of age who are prepared to be self-motivated, committed to their local church and have a desire to grow in faith and develop service and leadership skills. There's five modules to complete, based on the 5 Marks of Mission of the Anglican Church ...

- ✚ Telling Our Story
- ✚ Faith Formation
- ✚ Serving Others
- ✚ Social Justice
- ✚ Care of Creation

A badge and certificate are awarded at the end of each module, and a 'Bishop of Waiapu Award' is presented on completion of all modules. Talk to Dean Helen to find out more about this exciting new programme!
