Diocesan representatives return on Friday 12 November to complete their interviews, this time talking with members of Cathedral Chapter, and others who were unavailable for their first visit. We get to see a copy of the review team's response sometime after that.

"Journey in Community"

A group has been meeting on Wednesday evenings for lively discussions delving into Bible-margin stories for the 'Spring' study series led by Murray Mills.

They have two more sessions to conclude their studies - 17 & 24 November - in the "Youth" room at the Cathedral.
Enquiries to 835-0884.

LIFE IN GAZA TODAY

We have been fortunate to gain a slot in the touring schedule of a series of original paintings by Christian and Muslim children and adult artists who live in Gaza. This collection (co-ordinated by CWS) was to appear only in Auckland, Wellington, and Christchurch, but will now be on display daily in Waiapu Cathedral from **Sunday 14 to Sunday 21 November**.

We will need a team of volunteers to be on duty in the Cathedral between 9.00am and 4.30 pm each day - if you can help, please contact the Parish Office.

Thanks to everyone who contributed in so many different ways to make this evening such a success. It was a well-attended, fun, evening, with spirited bidding for the many lots on offer. Just over \$25,000 was raised - a tremendous effort which has helped to boost the total raised so far to over the "half-way" mark!
