Appointment of Vicar for Mount Maunganui Parish

Greetings and peace to you.

It is my pleasure to announce that the Venerable Christine Scott has accepted my offer to the appointment as Vicar of the Parish of Mount Maunganui.

Christine is currently the Vicar of the Parish of Otorohanga and Archdeacon of Wai-tomo in the Diocese of Waikato and Taranaki. Christine has held that role for around ten years and in that time has developed a strong ministry committed to the local community. Christine has also held a number of roles in the wider Diocese on various boards and committees. Prior to moving to Otorohanga Christine was discerned and trained for ministry in Waiapu, having been a parishioner of our Cathedral (and a member of the Cathedral Choir) and then serving a curacy in the Parish of Rotorua.

Christine will conclude her role in Otorohanga near the middle of September, with an installation service to be held in the last week of September. The details for that service will be publicised once the service has been finalised.

I encourage you all to pray for Christine and for the Mt Maunganui parish during this time of transition and preparation for a new beginning for Christine, and the ongoing mission of this parish.

Yours in Christ

+Andrew (The Right Reverend Andrew Hedge)
Bishop of Waiapu

Ecumenical Pentecost Service – for the Week of Prayer for Christian Unity

The Napier Inner-City Covenanted Churches welcome you to this annual service towards unity. The international theme, set for 2018 by the churches of the Caribbean, is *'that all may be free'*, a reflection on historical and contemporary slavery. This year the service is hosted by:

**Trinity Methodist Church, Clive Square,
Napier, on Thursday 24 May at 7:00pm.**

Environment-Justice-Peace Network

Over recent weeks EJP has encouraged members to make submissions on Waste Management, and on the Long Term Plans of both Regional and City councils. As a group they have made submissions on community housing for low income people, and on Napier's Representation Process. July will see members involved in community tree-planting events.

Minutes are posted on church noticeboard

Gospel music is a close relative to Blues and Jazz, and so the home of Napier's Jazz Vespers is pleased to welcome a special Gospel Vespers ... containing elements of a concert and a worship service, it borrows elements from both of those things, but at its core Vespers really offers reflection through music.

'Praise @ 4:30'

St Augustine's, Riverbend Rd, Napier

Sunday 27th May 2018, 4.30pm

Guest Speaker: Henare O'Keefe

'Praise @ 4:30' offers the message of God to people who sometimes need space from the formality of Anglican Sunday morning communion. It's based around singing some songs of praises, offering impromptu time for people to talk about their blessings, and having an inspired 10-15 minute reflection before a pot-luck supper. All welcome.
